Associate members

Article 1.2 of the WVA By-Laws:

Associate members:

The Council may accept the associate membership of world and regional international associations of veterinary specialists or related groups.

These specialist associations must have a majority of veterinarians and must have a membership of not less than 250 members from at least 10 different countries of which the national organizations are members of WVA. Each current (1996) associate member must have a membership of not less than 100 from at least six different countries of which the national organizations are members of the WVA.

The World Veterinary Association must be kept informed about any changes of the statutes of associate members.

Article 2.1.2 of the WVA By-Laws:

Representatives of associate members have one vote each.
