

2nd Global Webinar on Animal Welfare

8th December 2014 – 15:00-17:00

(Belgium time: GMT+1)

“The importance of new technologies to empower vets in the field of Animal Welfare”

Following the success of the Global Webinar on AW (held on 29th April 2014), the WVA and the European Commission are organizing a second Global Webinar focusing on how new technologies can empower vets in the field of Animal Welfare.

The Webinar will include informative presentations, questions from the public and panel discussions with representatives of AWIN, AVMA, EFSA, EC, FAO, FVE, IVSA, OIE, WSPA, WAVMA, WVA and others.
